# ABOUT US

Tigem Exports is an innovative and family-owned enterprise based in Port Moresby, Papua New Guinea. Since our founding on June 9, 2020, we have been a pioneering force in the vanilla industry, providing premium-grade vanilla beans and expert training services that uplift the local agricultural community. With a mission to empower SMEs, our commitment extends beyond mere trade; we are passionate about fostering MANCET development and supporting sustainable practices in our region. Our team is composed of highly skilled professionals who bring a wealth of expertise to the fields of vanilla cultivation and agricultural training. This expertise, combined with a genuine commitment to community advancement, allows us to deliver exceptional products and services. We recognize the importance of quality and consistency, working diligently to maintain these standards across all aspects of our business.
